

Teachers' favorite features. Available only with Newsela ELA.

Purchase Newsela ELA to unlock a full library of over 15,000 authentic, differentiated texts and videos in over 20 genres to build background knowledge, scaffold instruction, and develop key skills.

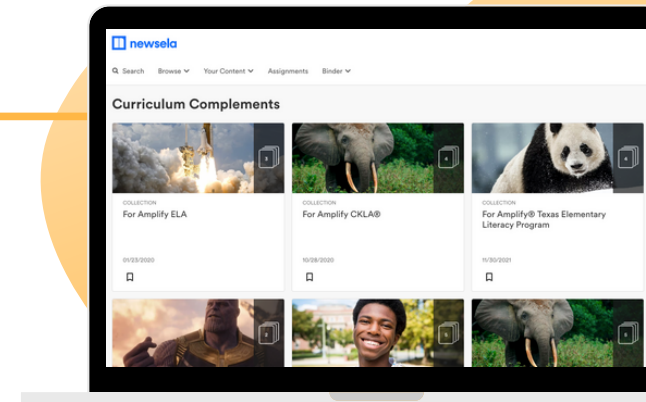

Collections that promote background knowledge and extend learning

Curated resources for Novel Studies, Fiction, Poetry, Research Projects, and more use engaging, standards-aligned content and practical teaching tips to help students build background knowledge, make meaningful connections, and better participate in classroom instruction.

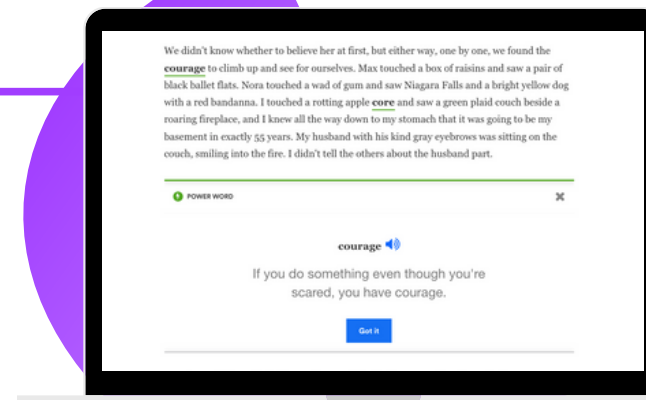

Curriculum Complements that enhance 30+ common ELA curricula

These curations work alongside and enhance the ELA materials you already have. Teachers can easily find vetted content aligned to their curriculum to introduce key concepts, provide more diverse perspectives, build in student choice, and ensure every student has engaging, relevant, and accessible texts.

Power Words that allow students to encounter vocabulary

In-context definitions and practice activities at multiple reading levels help students learn Tier II words and enable them to become better readers of complex texts.
