

History, Headlines, and Lessons to Shape Tomorrow's Citizens

Inspire students with diverse content that connects history with current events, and promotes scaffolded, inquiry-based learning—all in one place.

Students who used Newsela Social Studies weekly showed the equivalent of an additional year of instruction on their state social studies exam.

- Engage students with **relevant, diverse, and authentic materials** like primary sources, biographies, speeches, and videos.
- Help all students **access grade-level social studies concepts** with embedded scaffolds and **AI-powered** tools such as a Text Translator, Guided Highlighting, Check Your Understanding questions, differentiated texts, and more.
- **Create an inquiry-driven experience** that places your students at the forefront using curated text sets for digital citizenship, media literacy skills, and C3 inquiry skills.
- **Build literacy skills** by helping students make sense of the world through texts, discussions, and critical thinking.

Tailor instruction to the **needs of your unique classroom and community.**

Included in the extensive Newsela Social Studies library, New York educators will find collections specifically designed to help them create learning experiences that resonate with students' lives and cover essential standards and initiatives.

New York State History Collection

Ensure middle school students learn about the rich history and geography of their home state with carefully selected articles, primary sources, and other materials specifically focused on New York state history — all aligned to the New York State Social Studies Framework.

New York Financial Literacy

Help students understand financial literacy and what it means to make wise, responsible decisions around money and their future. This collection includes essential resources for learning about budgeting, saving, investing, credit, and more.

The NYC Passport to Social Studies Curriculum Complement

The NYC Passport to Social Studies Curriculum Complement provides engaging content aligned to every unit of the Passport to Social Studies middle school curriculum. The content brings in diverse perspectives, primary sources, and relevant topics to supplement core curriculum materials.

Each collection includes a unique and robust set of resources that enable teachers to deliver the content in a meaningful way.
