

Professional Learning with Newsela

PD solutions that combine research-backed pedagogy with the technology training teachers need to use Newsela effectively in the classroom.

✓ Purposeful

Our team of former classroom educators provide your teachers with pedagogical strategies that take their instruction to the next level.

✓ Actionable

We'll get teachers of all subjects up and running with the training and support they need to feel confident using Newsela in the classroom.

✓ Interactive

Whether in-person or online, our professional learning engages teachers to create a memorable and impactful experience.

Our Professional Learning increases teacher's engagement!

86% of teachers would recommend our professional learning to a colleague.

90% of teachers say they will apply our practices in the classroom after attending a professional learning session.

86% of schools and districts with professional learning are engaged on the Newsela platform.

“This has been the most relevant training in all my years of teaching. Thank you so much!”

Michelle Parisi

Teacher from Gainesville High School

“I am a Newsela certified educator, but never cease to learn more every time I attend another session!”

Tanya Kidd

ELA Teacher from Vineland City Schools

Professional Learning with Newsela

Newsela's Professional Learning provides a variety of options to set your teachers up for success. Whether it's in-person training, virtual sessions, or unlimited access to on-demand resources, we'll help you find the mix that works best for your teachers.

PD Pass to the Educator Center

Give teachers unlimited learning – on demand. Unlimited access to professional learning resources on the Educator Center that are rooted in research and earn teachers PD credit.

- ✓ **Flexible.** No more one-size-fits-all PD. Teachers can browse resources that are the perfect fit for the subject and grade they teach.
- ✓ **Continuous.** Teachers have access all year round so they can learn and develop on their own schedule.
- ✓ **Differentiated.** We make sure our PD is not only differentiated by subject area and grade level, but by medium as well. Whether your teachers want to watch a video, enroll in a course, attend a webinar, or download a resource, we ensure our PD is engaging for everyone.

Professional Learning Packages

built just for your
school or district

Find your perfect fit. Our team of former classroom educators turned expert trainers will curate resources that meet your unique needs, while creating activities that engage and challenge all of your learners.

- ✓ **Tailor-made.** We create a Professional Learning Package that is tailored to meet your school or district's needs.
- ✓ **Your Terms.** Our Professional Learning will be delivered when, where, and how it works best for you. On-site, virtual, or blended, you tell us what's best.
- ✓ **Strategic.** We'll partner with you to make sure your professional learning aligns with your school or district's specific goals, setting your teachers up for success.
