

Student Guide: Canvas

1 Login

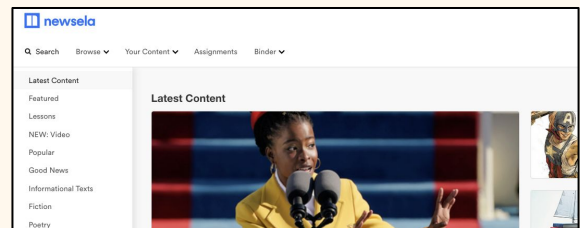

- Login to Canvas > Click into your teacher's course in Canvas > Click the Newsela link on the left side of the screen

- This will open a new tab, so make sure your pop-ups aren't blocked!
- Select Student if prompted, and select your school

2 Explore

Use the navigation options in Newsela to explore the new content you have access to!

- Use the Search bar to find interesting information by keyword
- Click into the different categories on the left

3 Complete

When you have a Newsela assignment to complete, you will see it in Canvas under your Assignments.

- If you do not see your assignment in Canvas, you can also access it in your Newsela assignments!

- ★ Remember to always login this way from Canvas. This is how Newsela makes sure you are in the right classes and your teachers can see you!
- ★ If you have any Newsela questions, ask your teacher!
