

Curriculum Complement for HMH Into Reading™ Texas*

This Curriculum Complement is available with Newsela ELA.

Get the most out of your existing materials by effortlessly adding content that's fresh, engaging, accessible, and organized to work alongside what you're already using.

For HMH Into Reading™ Texas*, we reviewed the scope and sequence for grades 3-5 and built a resource with Newsela's content that teachers can use directly alongside it.

The Curriculum Complement includes Newsela text sets that reflect each of the 12 modules per grade level in HMH Into Reading™ Texas*, providing engaging connections and extensions to the themes, topics, texts and questions.

Within each text set, we provide 10-15 texts filled with Newsela content and include a lesson spark.

Each text set outlines texts that have a direct connection to Texas or might be relevant to students in Texas. We also provide at least one text in Spanish, with separate lesson sparks for emergent bilingual students aligned to ELPS instruction and preparation for TELPAS.

With the HMH Into Reading™ Texas* Curriculum Complement, schools and districts:

- **Get even more out of existing investments**
- **Add relevance or rigor to any lesson**
- **Provide more reading choice for students**
- **Save teachers' time finding, vetting, & aligning content**
- **Ensure every student can access background knowledge and discussions, filling knowledge gaps so students can more meaningfully engage with the curriculum**
