

Curriculum Complement for TEKS Resource System* for ELAR

This Curriculum Complement is available with Newsela ELA.

Get the most out of your existing materials by effortlessly adding content that's fresh, engaging, accessible, and organized to work alongside what you're already using.

The Newsela Texas ELAR Curriculum Complement can be used with content from or curriculum aligned to the TEKS Resources System* for English Language Arts and Reading. We reviewed the scope and sequence for grades 3-12 and built a resource with Newsela's content that teachers can use directly alongside it.

Each unit within a grade band includes 4-6 Text Sets so that teachers can easily find grade-appropriate content that can be integrated into their instruction, including:

- engaging "core" texts such as fiction, poetry and argumentative texts for students to analyze, discuss, use as models, etc.
- high-interest "supplemental" texts such as articles that explore the role of poetry in our world and texts that showcase real-world writers in each unit
- texts that teachers can substitute into the curriculum to make it more culturally-relevant, engaging and fresh

With the TEKS Resource System* ELAR Curriculum Complement, schools and districts:

- **Get even more out of existing investments**
- **Add relevance or rigor to any lesson**
- **Provide more reading choice for students**
- **Save teachers' time finding, vetting, & aligning content**
- **Ensure every student can access background knowledge and discussions**
