

Primary Source Analysis

Name: _____

Class: _____ Date: _____

Directions: Read your primary source once. Then, read it a second time and take notes on the questions below. Finally, answer the conclusion question on the next page.

Who wrote or created the document?	
Who is the intended audience?	
What year was it written?	
What else was happening in the world at this time?	
What evidence of bias, if any, do you see in the document?	
What did the author/creator omit, or avoid talking about?	
Do you think this document is a reliable source of information? Why or why not?	

Conclude: How does this primary source contribute to our understanding of history?
